Architect & Engineers

Stockbridge-Munsee Health and Wellness Center Geothermal Borefield and HVAC Upgrade

Project

The Stockbridge-Munsee Community is soliciting bids for Geothermal Borefield and HVAC Upgrade Project for the Stockbridge-Munsee Health and Wellness Center (SMHWC) located at W12802 County Highway A, Bowler, Wisconsin. All work will take place on/for properties owned by the Stockbridge-Munsee Community. One sealed proposal to be submitted for the **Geothermal Borefield and HVAC Upgrade**.

Work includes construction of a geothermal well borefield and HVAC upgrades inside the facility to provide a fully functional geothermal system. Work included: provide labor, materials, articles, equipment, incidentals, items, tools, services, supplies, methods, operations, and skills in such quantities as may be necessary to complete project within intent of Contract Documents.

Interested firms/contractors shall obtain copies of project manual consisting of bid documents, contract documents, specifications, and construction drawings as noted below.

The proposals will be received by the Tribal Secretary, Jody Hartwig at the address above, until **2:00 p.m. (Central Time) Friday, August 21, 2020.**

Copies of the Bid Documents Project Manual may be obtained by the following methods:

1. PDF copy via email by contacting Brian Willoughby, technical representative, at brian.willoughby@ihs.gov (Please "cc" SMHWC Safety Manager, Bonnie Welch, at bonnie.welch@mohican.com with email request).
2. Via download for \$15 from www.QuestCDN.com, **Project Number – 7252226**.
